

Legatum Lecture

Entrepreneurship in an Emerging Economy: The CWG Illustration

Presented by Austin Okere

Join us on April 30th to learn about the opportunities and challenges of crafting a coherent long-term strategy in a fast-changing emerging market economy. In 20 years Austin has grown the Computer Warehouse Group from a company which he founded with a seed capital of about \$35,000 into a \$130 million revenue company, with 650 staff spread across Nigeria, Ghana, Uganda and Cameroon.

**Join us on April 30th
5:30PM
100 Main St. E62-223**

Co-hosted by the **MIT Sloan Africa Business Club**

Free and open to the public
